Rocco and the True Conservative

-Well, True Conservative! How does it feel to have your ass handed to you?

-That happened to the Republican Party. Not to us.

-Then you and your seven wingnuts are safe?

-We'll gather in the wilderness and build again.

-Hey! At any rate, they want you in the tent! But just to screw, finally.

-We’re aware.

-Just hold on to the racists and you'll do fine.

-Small government, low taxes, freedom! I don't see that having anything to do with racism.

-Oh?
